

David's Catfish House

Where Southern & Seafood Meet For The History

In 1983 David and Sadie Ross started serving delicious meals from what is now our current menu. Nearly a quarter-century later, dishes like our Catfish & Cheese Grits have been garnering fame across the southeast. All of our batters, breadings, & mixes are made from scratch daily, as is our Famous Coleslaw and Salads. We proudly serve Farm-Raised Catfish from Yazoo City, Mississippi, great steaks & burgers, and only the freshest seafood from the Gulf of Mexico.
